Join us for a wonderful evening of music and memories as we celebrate the Seventy-Fifth Anniversary of Glens Falls Community Theatre.

We'll feature selections from Rodgers & Hammerstein and Andrew Lloyd Webber, including R&H classics such as "The Sound of Music," "I'm Gonna Wash That Man Right Outta My Hair," and "The Farmer and the Cowman." Songs from the Lloyd Webber songbook include "Any Dream Will Do," "Love Changes Everything," and "Music of the Night."

The Little Sisters of Hoboken are back...and this time, they're taking a cruise! The nuns are on a Faiths of All Nations cruise when, during a violent storm, the cast members of the shipboard production of *Fiddler on the Roof* get seasick - all except the guy playing Tevye. The ship's captain, knowing the sisters' propensity for entertainment, asks them to put on a show! Oy, such a time you'll have!

by Neil Simon
Directed by Bob Myers
April 29 & 30 and May 1, 2011

Three couples are getting together at the home of a fourth couple to celebrate the hosts' tenth wedding anniversary. But upon their arrival, the guests find that their hostess is nowhere to be found and the host has put a bullet through his earlobe. Neil Simon's Broadway hit is fast-paced and full of mistaken identities, cover-ups and outright lies as the participants try to hide the goings-on from the cops and reporters. The original cast featured Christine Baranski (in a Tony-winning performance), Ron Liebman, Ken Howard and Jessica Walter.
